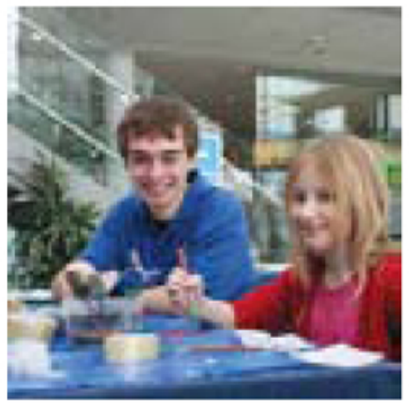
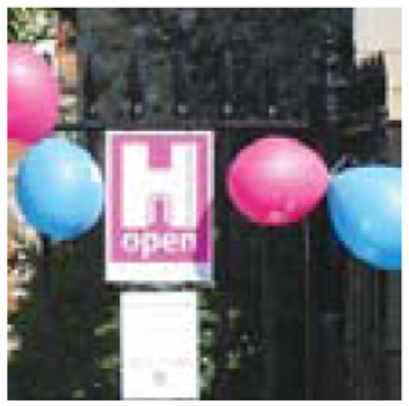
HAVE YOU ENCLOSED YOUR S.A.E?

Please return this form **with a stamped addressed envelope** to:
HODs Bookings, PO Box 3130, Norwich NR2 1XR

Heritage Open Days

Booking for Heritage Open Days Events in Norwich





Some events are very popular so we recommend you send in your booking form promptly.

- Almost all HEART pre-booked events can be booked using the form opposite. A few events must be booked directly, please see individual entries in the brochure.
- Tickets are always allocated on a first come first served basis so please do act quickly, and provide your second choice where appropriate.
- We will not allocate tickets for two events at the same time and date – if they are for someone else please use a separate form, which you can photocopy or download from www.heritagecity.org/hods
- The meeting place for your event will be on your ticket, along with any other special information.
- If you need any more information about an event, for instance fuller details of disabled access, you are welcome to email info@heritagecity.org or ring 01603 305 575 but please note that we can not allocate tickets by email or phone.
- From the 1st of September, up to the events, any remaining tickets, will be available in person only, from Norwich Tourist Information Centre at The Forum.
- If you find you have spare tickets you can not use please return them to us – they can be reallocated even up to the day of the event.
- Please make sure you include a stamped addressed envelope, with appropriate postage, to get your tickets back. **Not doing this is the single biggest reason why people miss out**.
- As always, remember that the majority of our events are 'just turn up' affairs, detailed in the various sections, so please don't feel that you've lost out if there is something you can't get a ticket for – there will still be masses to do.
